At Georgia Natural Gas® (GNG), we understand that a strong school system is integral to a community's success. That's why we created the **TrueBlue Schools®** Program – a simple fundraising solution open to all residential natural gas users. By enrolling in the TrueBlue Schools program, you automatically help raise money for the Georgia school of your choice. Anyone can participate – and the more people who sign up and select your school, the more money your school receives.
IT'S THAT EASY, AND IT ADDS UP FAST!

NOW, WE'RE COOKING.

This year, TrueBlue Schools is teaming up with family and kids cooking expert Jennifer Bushman to promote healthy eating among our children. Together, we've got some tasty things in store for the whole family, both in and out of the classroom.

Enrollment eligibility, price plan availability and actual customer service charge, price per therm, and deposit requirement are subject to GNG credit and payment policies. Offer valid 7/01/09 - 6/30/10. Offer not valid with any other offer. For complete terms and conditions of the TrueBlue Schools Program, visit trueblueschools.com. *Savings per therm on Market Advantage Plan compared to GNG's Variable Select Plan.
